ULTIMATE MONSTERS CARDS ON SALE NOW!

225 new designs to collect in total.
INTRODUCING THE...

ATE MONSTERS

SERIES!

It's time to unleash the fantastic Ultimate Monsters Special, your in-depth guide to the brand new set of Battles in Time cards! Here's what's inside...

**CARD NUMBER**

Each card has an ID number in the top left corner. This set starts with 601, picking up where the Invader set left off.

**WHICH DOCTOR?**

This tells you which of the ten Doctors met the monster featured on the card.

**POWER ICONS**

Each character card has the same five combat categories as all the earlier sets - so you can mix up all your new cards with any Exterminator, Annihilator or Invader cards in your collection!

**RARITY SYMBOL**

The letters in the bottom-left corner let you know how rare your card is:

- C = Common
- R = Rare
- SR = Super-rare
- UR = Ultra-rare

**SET NUMBER**

The first number is the card's number, the second number is the total number of cards in the set.

The Fourth Doctor found this Zygon warlord at the bottom of Loch Ness, where he had been hiding for hundreds of years.
Autons

These shop dummies served the Nestene Consciousness. When it first tried to invade Earth, the Nestene created an octopus-like form for itself. In its last attempt, it was a huge face in a vat of molten plastic!

Stories: Spearhead from Space, Terror of the Autons, Rose

Weapons: Their hands drop away to reveal a lethal energy blaster.

How Were They Defeated? They turned back into lifeless dummies.

Best Rating: Stamina 8200

Bannakaffalatta

Story: Voyage of the Damned

Low-Down: This small, spiky-headed cyborg was one of the passengers aboard the doomed space-cruiser Titanic. He bravely sacrificed his own life to save everyone else when Max Capricorn's Heavenly Hosts turned hostile.

Best Rating: Special Abilities 7000

Axons

The Axons appeared to be friendly when they landed on Earth. They claimed they needed energy for their spaceship, and offered to hand over a miracle substance called Axonite, a ‘thinking molecule’ capable of mimicking any other substance, but it was really part of the Axon plan to drain the Earth of all its energy. In fact Axonite, the Axon humanoids, and the monsters they morphed into, were all part of the same creature determined to drain Earth dry!

Story: The Claws of Axos

Weapons: The explosive charge from an Axon’s tentacles could kill instantly.

How Were They Defeated? The Doctor used the TARDIS to trap Axos in a never-ending time loop.

Best Rating: Special Abilities 8400
**AZAL**

**STORY** The Daemons

**LOW-DOWN** Last of the ancient Daemon race who came to Earth a million years ago and treated the planet as a science experiment.

**OBJECTIVE** To decide whether the Earth ‘experiment’ was a success or not – possibly meaning the end of the world!

**BEST RATING**
Fear Factor 9100 – Azal was many times the height of a human and a terrifying sight!

---

**BOK**

**STORY** The Daemons

**LOW-DOWN** This stone gargoyle came to life when the Master summoned up the Daemon Azal.

**OBJECTIVE** To kill all who stood in the Master’s way!

**BEST RATING**
Special Abilities 7200

---

**THE BORAD**

A mad scientist called Megelen, who had become hideously mutated when one of his experiments went wrong, the Borad was the evil ruler of Karfel. He got rid of his enemies by throwing them into a time-space corridor – the Timelash.

**STORY** Timelash

**WEAPONS** An ageing energy beam.

**HOW WAS HE DEFEATED?** The Doctor pushed the Borad into the Timelash, but also had to destroy a Borad clone by turning his ageing-beam against him.

**BEST RATING**
Intelligence 7600

---

**AB**

“The time has come for the completion of the experiment... or its destruction!”

CHEETAH PEOPLE

**STORY** Survival

**LOW-DOWN** The Doctor found himself on a world which could turn humans into Cheetah people.

**BEST RATING**
Special Abilities 7600

CYBER ANDROIDS

In the year 2526, the Cybermen used two silent, faceless androids to patrol a cave system on Earth. Programmed to defend a hatch which contained a bomb powerful enough to destroy all life on the planet, they were also equipped with visual monitoring so the Cybermen soon detected the Doctor's interference...

**STORY** Earthshock

**WEAPONS** Blaster in the palm of the hand, powerful enough to turn a human into nasty green goo!

**HOW WERE THEY DEFEATED?**
The Doctor told the troopers to destroy the androids by concentrating their firepower on one spot.

**BEST RATING**
Agility 7600

CESSAIR OF DIPLOS

**STORY** The Stones of Blood

**CYBERMAN (AWAKENING)**

On the planet Telos, the Doctor joined a group of archaeologists who were investigating the lost tombs of the Cybermen. The Doctor was powerless to stop one of the team awakening the metallic giants from their long sleep, and when they emerged, they set about turning humans into more Cybermen...

**STORY** The Tomb of the Cybermen

**WEAPONS** These Cybermen fired electrical charges from their fingertips.

**HOW WERE THEY DEFEATED?**
The Doctor resealed the tombs, trapping the Cybermen.

**BEST RATING** Fear Factor 8300

**CYBERMAN (CAMOUFLAGED)**

**STORY** Attack of the Cybermen

**LOW-DOWN** During an attempt to invade Earth, Cybermen stalked the sewers of London where their underground base was hidden. Some of these appeared darker to avoid being detected.

**BEST RATING** Fear Factor 8300

**CYBERMAN (INVADING EARTH)**

During one of their attempts to invade Earth, the Cybermen managed to take over human minds by sending out a hypnotic signal through special electronic circuits. The Cybermen then emerged from the sewers of London and marched along its streets.

**STORY** The Invasion

**WEAPONS** Flame-throwing guns.

**HOW WERE THEY DEFEATED?**
The Cybermen's ships were flying in formation, and Earth missiles succeeded in destroying them by setting off a chain reaction of explosions.

**BEST RATING** Fear Factor 8400
CYBERMAN
(FROM OUR UNIVERSE)

STORY The Wheel In Space
LOW-DOWN The Cybermen in our universe were slightly different from those created by John Lumic on a parallel Earth. In our universe, the Cybermen came from the planet Mondas and they altered their outward appearance several times.
BEST RATING Fear Factor 8300

This Cyber Leader was in charge of a squad of Cybermen who had been taken out of time and space and placed in the Death Zone on Gallifrey. It joined forces with the Master to fight against the Time Lords, but the Master tricked the Cybermen into entering a booby-trap, and they were all destroyed.

STORY The Five Doctors
WEAPONS Each Cyberman carried a rifle that fired energy bolts.
BEST RATING Fear Factor 8600

RENEGADE DALEKS

**STORY** Remembrance of the Daleks

**LOW-DOWN** Groups of these grey Daleks battled against human soldiers, whose machine guns were useless against the Daleks’ polycarbide casings.

**OBJECTIVE** To serve the Black Dalek and retrieve the Hand of Omega.

**BEST RATING** Fear Factor 8700

---

IMPERIAL DALEK

Davros controlled a group of white and gold Daleks who called him their Emperor. Their ship was in Earth orbit, while groups travelled to the surface in a smaller shuttlecraft.

**STORY** Remembrance of the Daleks

**WEAPONS** These Daleks fired orange energy bolts.

**HOW WERE THEY DEFEATED?** The Doctor programmed the Hand of Omega to destroy their mothership.

**BEST RATING** Intelligence 8600

---

GLASS DALEK

On the planet Necros, Davros took the heads of sick humans and turned them into a new race of Daleks. The glass casings were like incubators, where human matter mutated into Dalek flesh. One was Professor Stengos, a friend of the Doctor’s.

**STORY** Revelation of the Daleks

**HOW WERE THEY DEFEATED?** The Stengos Dalek pleaded with his daughter to destroy him. The others were killed by a bomb.

**BEST RATING** Fear Factor 8600
**BLACK DALEK**

On Earth in 1963, the Doctor came up against the Black Dalek, the leader of a group of Renegade Daleks. It battled for control of the Hand of Omega, an ancient Time Lord device that they thought would give them mastery of time.

**STORY** Remembrance of the Daleks

**WEAPONS** It fired blue energy bolts.

**HOW WAS IT DEFEATED?** When its Renegade Daleks were destroyed, the Doctor convinced the Black Dalek that it was the only one left, which made it self-destruct.

**BEST RATING**
Fear Factor 8700

DAVROS
A brilliant scientist from the planet Skaro, Davros was one of the greatest enemies ever faced by the Doctor, and almost as legendary as his deadly creations, the Daleks!

FIRST STORY Genesis of the Daleks
WEAPONS A killer electrical charge fired from both his hand and his third eye.
HOW WAS HE DEFEATED? The Doctor never seems to manage it! Like the Daleks, Davros always lives to fight another day.
BEST RATING Fear Factor 9300 (Davros Energy Attack)

DRASHIG
STORY Carnival of Monsters
LOW-DOWN Basically enormous, meat-eating caterpillars! They lived in marshland and made a terrifying screeching noise when they went hunting for food.
OBJECTIVE To follow the scent of their prey, never giving up till they’d had dinner!
BEST RATING Fear Factor 7900

DRACONIANS
The reptile-like Draconians were an advanced, noble race with strict codes of honour. They were peaceful until the Master tried to stir up a conflict between Draconia and Earth. The Doctor, who was a noble of the planet, convinced the Draconians that they were being tricked into war.
STORY Frontier in Space
WEAPONS Energy blasters.
BEST RATING Fear Factor 8100 (Group)
THE DESTROYER
Summoned by the warrior queen Morgaine, the Destroyer was a powerful and terrifying demon, with an endless hunger for devouring world after world. At first it was bound up in silver chains, but pleaded with Morgaine to release it so it could claim planet Earth.

STORY Battlefield

WEAPONS A massive blast of energy from its hands.

HOW WAS IT DEFEATED?
The Doctor's old UNIT friend Brigadier Lethbridge-Stewart destroyed it using silver bullets, causing it to explode!

BEST RATING Fear Factor 9100

DRATHRO
STORY The Trial of a Time Lord

LOW-DOWN A huge robot, built to look after an underground survival system for its masters - the three mysterious Sleepers from Andromeda.

WEAPONS Grabbing people in its metal claws, it killed them with a massive electrical charge.

BEST RATING Stamina 7600

DRAGON
STORY Dragonfire

LOW-DOWN Part-creature, part-machine, the Dragon was the jailer of a dangerous criminal called Kane.

WEAPONS Red laser bolts fired from its eyes. Its insides were also booby-trapped, giving off a lethal energy blast when it was cut open.

ELDRAD TO FOAMASI

FENDAHLEEN

These huge, slug-like creatures were part of the Fendahl skull’s attempt to build a new body for itself. It turned a scientist called Thea Ransome into the Fendahl Core, then set about transforming other humans into terrifying Fendahleen.

STORY: Image of the Fendahl
WEAPONS: The psychic ability to paralyse its victims.
BEST RATING: Special Abilities 7900

FENDAHL CORE

STORY: Image of the Fendahl
LOW-DOWN: When the ancient Fendahl skull tried to come back to life, the Fendahl Core was the first stage of its new body.
WEAPONS: One look into those freaky eyes turned people into big, slimy Fendahleen!
BEST RATING: Special Abilities 8800

EXXILONS

The Exxilons built an incredible living city on their planet, known as one of the 700 wonders of the Universe, but the city decided it no longer needed its creators, and drove them out. The Exxilons divided up into two groups – those who worshipped the city, and those who wanted to destroy it. When the Doctor arrived, the Exxilons tried to sacrifice his companion, Sarah Jane Smith!

STORY: Death to the Daleks
WEAPONS: Spears and arrows – primitive, but effective!
BEST RATING: Agility 5200
**EXXILON CITY ANTIBODY**

**STORY** Death to the Daleks

**LOW-DOWN** When the Doctor entered the living city on Exxilon, it created zombie-like ‘antibodies’ in order to destroy him. Luckily, the Daleks appeared and the antibodies attacked them instead!

**WEAPONS** None, but they could stand up to Dalek firepower.

**BEST RATING** Fear Factor 6500

---

**FOAMASI**

These were green reptile-creatures with chirruping voices. One group of Foamasi tried to sabotage the Leisure Hive, which protected the Argolin race from the poisonous atmosphere on their planet. The criminal Foamasi, known as the West Lodge, hid inside human skin-suits to avoid being detected.

**STORY** The Leisure Hive

**WEAPONS** One Foamasi used a special grenade which surrounded its victims with tough filaments, preventing them from escaping.

**BEST RATING** Intelligence 6800 (Foamasi Group)

---

**EMPTY-CHILD**

**STORY** The Empty Child, The Doctor Dances

**LOW-DOWN** This creepy little boy became a victim of the Chula nanogenes – tiny robots that wanted to rewrite human biology.

**WEAPONS** Anyone the Child touched became just like him.

*Are you my Mummy? EMPTY CHILD*
THE GREAT ONE

**STORY** Planet of the Spiders

**LOW-DOWN** Much bigger than a human, the Great One planned to become ruler of the universe by using the planet's blue crystals to magnify her mental powers.

**WEAPONS** The ability to paralyse people and cause them terrible pain!

**BEST RATING** Fear Factor 9000

GODS OF RAGNAROK

The Doctor claims he has fought these mysterious super-beings all through time, and we once saw them meet in the Dark Circus on the planet Segonax. The gods demanded to be continually entertained, brutally killing off all those who failed to amuse them.

**STORY** The Greatest Show in the Galaxy

**WEAPONS** Energy bolts fired from their hands and the eye symbols on their heads.

**HOW WERE THEY DEFEATED?** The Doctor used an amulet to turn the gods' power against them.

**BEST RATING** Stamina 8600

GIANT MAGGOTS

When Global Chemicals pumped waste from their factory underground, it caused maggots to grow to an enormous size. The maggots attacked by leaping into the air, sinking their teeth into unwary victims who then developed glowing patches on their bodies – the 'green' death!

**STORY** The Green Death

**HOW WERE THEY DEFEATED?** The Doctor fed the maggots a protein fungus which killed them all, reducing them to dried-out husks.

**BEST RATING** Fear Factor 7300
Haemovores were creatures that mankind would finally evolve into, thanks to thousands of years of pollution on their planet. They were basically vampires, with an endless thirst for blood. They could paralyse their victims to stop them from escaping.

**STORY** The Curse of Fenric

**WEAPONS** Long, sharp talons.

**HOW WERE THEY DEFEATED?** They could be fought off by the psychic barrier created by faith. Failing that, a wooden stake would finish them off!

**BEST RATING** Fear Factor 8100 (Ancient Haemovore)
Bannakaffalatta’s BRAIN BUSTERS

The warlike Ice Warriors came from the planet Mars. They were huge, green, reptilian creatures in heavy armour – with a thirst for conquest. Their weakness was that they couldn’t survive in high temperatures.

WEAPONS Sonic disintegrators fixed on top of their claw-like hands.

HOW WERE THEY DEFEATED? When the Doctor first battled against them, he sent their invading fleet of spaceships into an orbit round the Sun.

BEST RATING Fear Factor 7800

KROLL

STORY The Power of Kroll

LOW-DOWN An enormous squid-like creature, with long and hugely powerful tentacles. It was worshipped as a god by the Swampie; who tried to please it by sacrificing one of the Doctor’s friends.

BEST RATING Fear Factor 7900

K1 ROBOT

Made of a living metal, the K1 robot was designed to work in conditions that were deadly to humans, but it was reprogrammed by the power-mad Miss Winters to try and take over the world. When a disintegrator gun was used against it, the robot grew to an enormous size!

STORY Robot

WEAPONS Pincer claws and a disintegrator gun

HOW WAS IT DEFEATED? The Doctor made up a metal virus solution that spread through the robot’s body, reducing it to a heap of rust.

BEST RATING Stamina 8700
**Jagrafess**

**STORY** The Long Game

**LOW-DOWN** This huge, slobbering monstrosity was in control of mankind's destiny for 91 years! Its lair was on Floor 500 of Satellite Five, where it used its smarmy servant, the Editor, to help broadcast fake news around the Fourth Great and Bountiful Human Empire.

**WEAPONS** It would descend from the ceiling and turn its victims into drones.

**BEST RATING** Fear Factor 9300

**Krynoid**

An alien weed which fed on humans and animals, the Krynoid started as a small pod, quickly infecting and mutating a human being. Eventually it grew to the size of a stately home, ready to send out more seed pods across the Earth.

**STORY** The Seeds of Doom

**WEAPONS** Massive, lashing tentacles.

**HOW WAS IT DEFEATED?** The Doctor’s UNIT friends organised an RAF missile strike against the creature, destroying both the Krynoid and the house it was attacking.

**BEST RATING** Fear Factor 8300 (Attacking House)

**Kronos**

**STORY** The Time Monster

**LOW-DOWN** The Master tried to harness the power of Kronos the Chronovore, a being that existed outside time. He summoned the creature using a crystal from the ancient island of Atlantis.

**LOW DOWN** The Doctor met Lukoser on the planet Thoros Beta, home of the Mentors. It was a hideous wolf-man – the result of genetic experiments carried out by a scientist called Crozier, who was working for the Mentors.

**OBJECTIVE** To serve its master, King Yrcanos

**BEST RATING** Agility 6400

---

**THE MASTER**

Long before the Time Lords brought him back to life for the Time War, the Master had used up his twelve regenerations and become shrivelled and decayed. He tried to extend his life by taking control of the Eye of Harmony on Gallifrey.

**STORIES** The Deadly Assassin, The Keeper of Traken, Utopia, The Sound of Drums, Last of the Time Lords

**WEAPONS** A tissue compression eliminator which killed people by shrinking them.

**HOW WAS HE DEFEATED?** He just keeps coming back, time and time again!

**BEST RATING** Intelligence 9000

---

**MANDRELS**

The Mandrels were swamp creatures from the planet Eden. When they died, they turned into an addictive drug called Vraxoin.

**STORY** Nightmare of Eden

**WEAPONS** Long, sharp claws that could rip a person to shreds

**HOW WERE THEY DEFEATED?** When the Doctor blew into his dog whistle, he discovered it calmed down the savage monsters, making them docile and obedient.

**BEST RATING** Stamina 6500 (Group)
**THE MALUS**

This massive alien face appeared behind the wall of an old church, feeding on the psychic energy produced by war games taking place in the local village. The Doctor discovered the creature was some kind of alien war machine that had come to Earth hundreds of years before on board a spaceship from Hakol.

**STORY** The Awakening

**WEAPONS** The Malus killed its victims by creating ‘psychic projections’ of soldiers carrying swords.

**HOW WAS IT DEFEATED?** The Doctor blocked its ability to feed on psychic energy, so the Malus destroyed itself and everything around it.

**BEST RATING** Fear Factor 8700

---

**MAGS**

**STORY** The Greatest Show in the Galaxy

**LOW DOWN** Mags was the companion of Captain Cook, the famous intergalactic explorer. She was normally a quiet and gentle girl, but when she saw moonlight, she became a terrifying werewolf-like creature with huge fangs!

**BEST RATING** Fear Factor 7800

---

**MARSHMEN**

**STORY** Full Circle

**LOW DOWN** At the time of Mistfall, these terrifying monsters appeared from the marshes to attack a humanoid colony on their world. The Fourth Doctor made a shocking discovery – the colonists were in fact evolved marshmen themselves!

MECHONOID TO MUTTS

MUTTS

The Doctor met these hideous mutants – known as Mutts – in caves on the planet Solos. The Marshal in charge of the planet tried to destroy them, but the Doctor learned that they were just one stage in the natural evolution of life on the planet, and eventually changed into ghost-like superbeings with great powers.

**STORY** The Mutants

**WEAPONS** Powerful, pincer-like claws.

**BEST RATING** Fear Factor 7900 (Group)

MECHONOIDS

**STORY** The Chase

**LOW-DOWN** Huge ball-shaped robots, created by humans and sent to the jungle world of Mechanus. They were programmed to prepare the planet for colonisation.

**OBJECTIVE** To destroy anything that threatened their city – including the invading Daleks!

**WEAPONS** Powerful flame-throwers

**BEST RATING** Stamina 6800

MUMMIES

Disguised as ancient Egyptian mummies, these were in fact service robots controlled by Sutekh, last of the Osiran race. They stalked the grounds of an English house, with orders to kill any humans they found. Sutekh also tried to use them build a missile, intending to blow up the power source on Mars that was keeping him prisoner.

**STORY** Pyramids of Mars

**HOW WERE THEY DEFEATED?** The only way to stop them was to use a special ring carried by one of Sutekh’s servants – in reality, the robots’ control device.

**BEST RATING** Fear Factor 8300 (Group)
MORBIUS

**STORY** The Brain of Morbius

**LOW-DOWN** A Time Lord criminal who survived only as a brain in a tank of liquid! His servant, a surgeon called Solon, tried to transplant the brain into a vile body made from parts of many different creatures.

**OBJECTIVE** To gain his revenge on the Time Lords.

**BEST RATING** Fear Factor 7600

MENTORS

From the planet Thoros Beta, the Mentors were a vile, slug-like race, only interested in profit and wealth. They were originally creatures that lived in the water, but on dry land they were unable to move about by themselves, so had to be carried everywhere by their obedient slaves.

**STORIES** Vengeance on Varos, The Trial of a Time Lord

**WEAPONS** Some lesser-developed Mentors had poisonous tails.

**HOW WERE THEY DEFEATED?** The Doctor didn’t really manage it, though it’s possible his friend King Yrcanos destroyed a few.

**BEST RATING** Intelligence 7400 (Sil)

MORBIANS

**STORY** The Trial of a Time Lord

**LOW-DOWN** Gold-skinned humanoids, some of whom were angry that Earth was mining their planet for all its precious metals. They wore special breathing apparatus as oxygen was poisonous to them.

**OBJECTIVE** To hijack the Hyperion III, a spaceship carrying cargo from Mogar to Earth.

OMEGA
Omega was the Time Lord solar engineer who provided the power source for his people to travel through time. When the Doctor first met him, he'd become trapped in a black hole, existing in his own universe of antimatter. His body had been destroyed, but he survived through the force of his will, and lived to seek revenge on the Time Lords who he believed had abandoned him.

STORIES The Three Doctors, Arc of Infinity
WEAPONS His Gel Guard servants fired powerful energy blasts.
HOW WAS HE DEFEATED? The Doctor used Omega's own matter converter against him, but wasn't entirely sure whether he'd been destroyed for good...

NIMON

**STORY**
The Horns of Nimon

**LOW-DOWN** Tall bull-like monsters that walked about on two legs.

**OBJECTIVE** Like a plague of locusts, the Nimon travelled from planet to planet, draining each of its energy and resources.

**WEAPONS** Powerful energy bolts fired from their horns, able to stun or kill.

**BEST RATING** Stamina 7900

A hero? I should have been a GOD!

NEMESIS STATUE

**STORY** Silver Nemesis

**LOW-DOWN** Created as the ultimate defence for the Time Lords from a living metal called validium.

**OBJECTIVE** The Doctor programmed the Nemesis to blow up thousands of Cyber war-ships hovering above Earth.

**WEAPONS** The statue’s mysterious destructive power was great enough to obliterate the whole world.

**BEST RATING** Special Abilities 9000

PIRATE CAPTAIN

**STORY**
The Pirate Planet

**LOW-DOWN** A space pirate whose body was partly robotic.

**OBJECTIVE** To materialise Zanak around other planets and drain them of their energy and minerals.

THE SONTARANS' BRAIN BUSTERS

These puzzles are far too tough for puny human brains!

TARDIS TRAIL!
The Doctor must hunt down a Sontaran war criminal. Can you work out where the alien is hiding?

1. Set the co-ordinates for B8 and land on the planet Argolis.
2. The Argolins tell you to travel three parsecs to the east.
3. Asteroid belt! It's a trap! Move 2 parsecs north.
4. You use the Space Station's deep-space scanners to track the Sontaran's ship to I7.
5. Fly into the wormhole and come out the other side.
6. Move 2 parsecs east to one of Saturn's moons.
7. Wrong moon! Hop one parsec south.
8. A Rutan spy gives you the co-ordinates C4.
10. Move west until you land on the letter. How many parsecs have you travelled?
11. Combine the number of parsecs and the letter to reveal the location of the Sontaran's secret base.

HINT! 1 square = 1 parsec

SONTARANS

"Nasty, brutish and short," was how the Doctor described the Sontarans. A warlike race, they came from the planet Sontar and reproduced themselves by cloning. Each had a 'probic vent' – a hole at the back of the neck, enabling the Sontaran to re-energise itself.

STORIES
- The Time Warrior
- The Sontaran Experiment
- The Invasion of Time
- The Two Doctors

WEAPONS
A wand-like device which could control human minds as well as kill.

HOW WERE THEY DEFEATED?
The first Sontaran the Doctor met was killed by an arrow fired into its probic vent.
